Receipt Number: 100

**Receipt Description:** PCVs Stefanie Esteban and Hailee Reed organized Camp Families Growing Positively on March 30, 2017 with the help of 9 host-country national counterparts from the NGO The International Community of Women Living with HIV (ICW), the Western Self-help Group (Grupo GAO) and The Association of Nicaraguans Living with HIV (ASONVIHSIDA). The participants, divided by youth and adults, attended 8 workshops that were co-facilitated by our counterparts and PCVs. Each participant paid C\$ 50 to demonstrate their buy-in to the camp. This receipt accounts for all of the funds that ICW Nicaragua donated to the project on 3/30/2017, and what said funds were spent on by the organization. It should be noted that one of the counterparts from GAO is affiliated with ASONVIHSIDA, but for the purpose of the data, said person is grouped in with GAO to avoid confusion. ASONVIHSIDA plays a bigger role in follow-up Youth Growing Positively workshops, while GAO has a bigger influence in the Initial Families Growing Positively camp.

Service Providers included: 4 ICW, 4 GAO, 1 ICW Psychologist
