Receipt Number: 104

Receipt Description: On August 12, 2017, PCVs Stefanie Esteban and Kendra Meltzer organized a second Youth Growing Positively (YGP) workshop, following the first YGP workshop in May and Camp Families Growing Positively in March/April. The majority of the participants who attended this workshop had attended the camp; however, we received additional participants from the Association of Nicaraguans Living with HIV (ASONVIHSIDA). The workshop took place at the ASONVIHSIDA headquarters in Managua, where nine youth and their accompanying guardians attended sessions on family planning, self-advocacy and lesson planning. This receipt accounts for the funds donated by the organization, in cash and in kind, for the success of the project.
