	9mm Pole
	Stay Complete
4	D- Iron
4	Shackle Insulator
4	M16 *270 Bolt and Nuts
	50mm <sup>2</sup> ACC Preformed

In addition, you are to pay a Deposit of **Ten Ghana Cedis (GH¢ 10.00)**. This is on estimated average power consumption for three months and it is a guarantee against future default in your payment of bills.

On payment of the above amount to our Area Finance Officer, you will be required to execute the necessary agreement(s) at our office, in conjunction with a licensed Electrical Contractor for the installation of the service. In the event of it being agreed to install more than one meter, a separate agreement will be required for each meter or service. Such agreement shall not be made with any other person or company apart from you.

If you are a tenant and not the owner of the premises it is necessary for the Landlord/Landlady to agree by signing on the agreement form that he/she will accept responsibility for any outstanding bills or damage to the Authority's property. You are required to arrange with a Licensed Electrical Contractor to carry out the necessary wiring and to bring the wiring back to a suitable position for the meter. The position of the meter and service cut outs will be given on request. You are reminded of the regulation that once an installation has been tested and passed by Energy Commission Representative, no alteration, additional work or addition of extra load shall be carried out without prior permission in writing from our office.
