

# PARTNERING SUCCESS BY LIGHTING-UP LIVES.

Sun King™ Home 60 is a power package of 3 solar lamps to light-up the consumer's homes and dreams. It consists of a solar panel and 3 solar lamps, that will keep homes brightly lit while also charging mobile phones. These lamps can be hung in separate rooms, as per the requirement. They can be used by the consumer to efficiently extend their work hours while the family utilises the lamps for other purposes simultaneously.

## 3 Light Modes

		<b>LOW POWER MODE (1 click)</b> 20 Lumens, 24 Hours
		<b>NORMAL MODE (2 clicks)</b> 50 Lumens, 10 Hours
		<b>TURBO MODE (3 clicks)</b> 100 Lumens, 5 Hours

### PHONE CHARGER

Equipped with high energy storage capacity and one USB charging port

### BATTERY METER

When the lamp is on, LED battery meter displays battery power remaining

### CHARGING METER

LED charging meter displays charging power from 1 to 5 to help place the solar panel properly

### DAY & NIGHT CHARGING

Day or night charging works with nearly all phones; 3 most common adaptors included

## Technical Specifications

<b>LEDs</b>	Power LEDs with 300 lumens total flux (100 lumens per lamp) Minimum efficacy : 150 lumens per watt
<b>Battery</b>	6000 mAh, 3.3 volt lithium ferro-phosphate battery
<b>Solar Panel</b>	6 watt, 5.8 volt polycrystalline solar panel with aluminum frame and a 6 metre wire
<b>Enclosure</b>	Rugged ABS and polycarbonate plastic
<b>Battery Indicator</b>	Digital LED meter to display the remaining battery power
<b>Solar Charge Indicator</b>	Digital LED meter to display charge effectiveness on a scale of 1 to 5, to help optimise solar panel placement
<b>Power Control</b>	Battery management technology automatically switches the lamps to low-power mode when battery is running dry, yielding additional hours of light

## Happy users, around the world

Present in 40 countries across 3 continents, the Sun King<sup>TM</sup> family of products addresses the immediate quality-of-life needs of under-electrified homes at a global level. High production quality and attention to durability ensures that the customers can enjoy reliable performance for years to come. Around the world, 15 million Sun King<sup>TM</sup> users live happier, healthier and more productive lives.
