TO WHOM IT MAY CONCERN

Dear Sir/Madam,

RE: LETTER OF COMMITMENT FOR YOUTH FOR PRODUCTIVITY AND  
DEVELOPMENT (YODEP)

The above captioned subject matter refers;

The District Social Welfare Officer writes to refer Youth for Productivity and Development (YODEP). YODEP has been a key and productive partner in the district in the areas of Early Childhood Development, Youth Development, HIV/AIDS and Sexual Reproductive Health, Livelihood, Child Protection and Psychosocial Support, Education Support and Climate Change issues.

I therefore refer YODEP to whichever organization would like to work with them as a stable partner with a very good track record in as far as implementation of activities and financial management is concerned.

Should you need any further clarification and reference do not hesitate to contact the undersigned on the contact details provided above.

  
Stephano Joseph
