LETTER OF SUPPORT TO SOLICIT FUNDING FOR PROGRAMS TO END CHILD MARRIAGES IN MALAWI

Equality Now is an international women's rights organisation founded in 1992. It works to bring about legal and systemic change that addresses violence against women and girls around the world. Its main areas of focus are sexual violence, harmful practices, legal equality and sex trafficking. Equality Now's Africa Office convenes the Solidarity for African Women's Rights (SOAWR) Coalition.

In January 2018, Equality Now entered into partnership agreement with People Serving Girls At Risk to implement a project titled **#JusticeForGirls** which aimed to address the injustices facing girls and young women in areas of sex trafficking and child marriage. People Serving Girls At Risk executed the project and delivered the intended goal. All resources were put into right use and accounted for.

Equality Now greatly appreciates the enormous work PSGR is faced with in Malawi in trying to contribute to the realization of the UN Sustainable Development Goals, especially Goal #3 and Goal 4, often with limited resources. We recommend PSGR and are in support of any fundraising requests for the organization. Please support them in every way, you will get maximum impact.

Yours faithfully,
