CIVICUS Membership

CIVICUS is a strong global alliance that amplifies and strengthens the voices and fights for the freedoms of ordinary people. We are the only global network of civil society organisations and activists dedicated to strengthening citizen action and civil society around the world. Our alliance constitutes an influential network of individuals and organisations at the local, national, regional and international levels, and spans the spectrum of civil society. We are proudly based in the global South and have over 5000 members in more than 170 countries.

We would like to confirm that **Asset Trust** (Association for Social Solidarity and Empowerment Training Trust) is a current **associate member** of CIVICUS. Asset Trust has been involved in CIVICUS Global Day of Citizen Action in 2015 and 2016.
