### **SUBJECT LETTER OF ENDORSEMENT**

On the behalf of gratitude primarily and nursery school, I would like to take this opportunity to extend to your organization our sincerest thanks and appreciation for the art of charity interest and activities in our institutions, specifically through the art of education, treatment, and donations of tooth brushes and paste to the children. We are proud to endorse your organization which is our own way to support the growth of your organization. Your projects bright smile Cameroon sounds extremely interesting and we look forward to seeing this develop into something big and tangible that our community can be proud of its benefits.

We wish you all the best, should this letter serve you anywhere and wherever you need.

Yours respectful
