Dear Sir/ Madam,

**RE: RECOMMENDATION LETTER FOR AFRICAN WOMEN AND GIRLS ORGANISATION
FOR TOTAL KNOWLEDGE – UGANDA**

We are pleased certify that we have closely worked with African Women and Girls Organisation For Total Knowledge -Uganda on various programs related to children welfare in Wakiso District. It is legally registered in Uganda and has been dedicated to increase girl child enrolment in school as well as empowering and supporting vulnerable women in our wakiso community different ways.

We consider them a big asset for the period of 3years that we have worked with them in our Wakiso District Community for they have proved to be reliable, accountable and changing lives of many vulnerable girls and women.

We strongly recommend them for any Funding available with your organisation as they continue to expand and create bigger impact in the lives of many women and children with their programs.

Should you require any clarifications on their programs or on this letter please contact me on +256772413264 or +256702413264 or on my email paul.bwamiki@sosuganda.org.

Kind Regards,

Paul Bwamiki
Village Director
SOS Children's Village
