Dear Officer

Re:Letter of Recoomendation

(Millennium Development Institute)

On behalf of Ahafo Development Association (ADA), write to recommend Millennium Development Institute (MDI) for possible partnership with your organization.

We have known MDI for over 7years as a consulting organization operating in Ghana. The institute provided technical services for the preparatory work on the formation of Ahafo Regional Institutional Forum on Climate Change in 2017. This work has been helpful, especially in the gender inclusion to afford women the opportunity to demonstrate their potentials in the Forum towards the achievement of Climate and Biodiversity actions in line with the targets set for the realization of SDGs.

Accordingly, **Ahafo Development Association (ADA)** will be grateful if your outfit will provide a partnership opportunity or a funding support for MDI in their quest to helping Ghana and the sub-region succeed. Thank you.

Sincerely,

Yaw Owusu-Brempong

President, Ahafo Development Association

Ahafo, Ghana
