

ABOUT YWOU

Youth and Youth for Opportunities Uganda –YWOU is an innovative charitable community based organization initiated and led by volunteers in Serere district with initiatives that address Education, Agriculture, Agro-Forestry, Climate Change and Food Security, Water and Sanitation Hygiene-WASH, Poverty, Women development. YWOU was established in 2012 by a group of women volunteers to provides support to the weakest social groups, such as Children, women, girls, children, elderly women, Sex Workers, OVC's, and PHA's and MARPS. YWOU collaborates and networks District local governments, District Community Based Development office, with local communities, families and local governments and other stakeholders in rural areas to provide holistic community services to the communities in need especially for people who are living with HIV/AIDS, TB and Malaria and other diseases, people living under poverty with no access to safe drinking water that affect children most.

Youth and Women for Opportunities Uganda has now been approved as the equivalent of a U.S. public charity and is eligible for grants from USA donors, corporate partners and their employees. Please take note that your unique SVCF constituent ID code is # O-400070. You can find further information on the benefits of having been vetted by SVCF and of the different options for which your organization is now eligible by accessing the following link:

<http://www.siliconvalleycf.org/vetted-international-organizations>. but please feel free to contact internationalgrantsadmin@siliconvalleycf.org with any subsequent questions you may have.

I wanted to let you know that your organization is up on our website: <https://www.siliconvalleycf.org/ngo/youth-and-women-opportunities-uganda-ywou>

https://www.facebook.com/Youth-and-Women-for-Opportunities-Uganda-YWOU-249360302403428/?modal=admin_todo_tour

Please feel free to share this link with U.S. donors so that they can easily donate! If they have any questions about gifting a larger gift or about the vetting process you underwent, I'd be happy to answer those questions.
