### Letter of Support

This letter is provided to confirm that West Gem Development Trust (WGDT) – Kenya is extending support to Sifa Self Help Group for the costs of office space, communication platform and utilities worth Kshs.20,000/= monthly for the next 3 years starting from Jan. 2018 to Jan. 2021.

Sifa Self Hel Group is a women Self Help Group registered as a women grassroots empowerment group involved in consolidating village women economic power through activities of:- Trading, farming, conservation, micro savings and lending. Sifa Self Help Group has been affiliated member of WGDT from Aug. 2017. Sifa has benefited from WGDT training programs and funding for some of their group projects.

This letter of support is also extended for recommendations to other donor partners who may consider any form of working relationship with Sifa Self Help Group to empower the group to break the cycle of village poverty. We strongly believe Sifa Self Help have the capacity to make a difference in shaping the lives of the village women in Siaya County.
