**Re: PARTNERSHIP RECOMMENDATION FOR ADAPTIVE SPORTS AFRICA.**

Greetings from Gulu disabled persons union

GDPU was founded in 1982, and is registered as an NGO. GDPU has 16 members in association in Gulu, Amuru, and Nwoya districts. GDPU implemented a sports project in the year 2011-2014 called inclusive sports for children with disabilities which was very successful. GDPU has track record of working with and for persons with disabilities, creating awareness on disability, fighting for their rights and improving the dignity and social, economic, and political status of PWDs.

Partnership and networking is one of the most important ways to ensure proper implimentation of project to help children and youth with disabilities live to their full potential, we partnered with ABILITY SPORTSn AFRICA a new organisation that was formed to specialize in fostering adaptive sports, they are one of our member organisation and we strongly believe that if you engage with them they will deliver the best out of the input and partnership. We recommend them as the right partner to work with to creat social change in the community when it comes to sports.

We are looking forward to working or supporting their innitaitives.

Yours sincerely,

Ongom Simon
