Dear Sir/Madam,

REFERENCE LETTER FOR BWALO INITIATIVE(BI)

This is to confirm that Zomba City Council knows Bwalo Initiative as one of the vibrant local non-governmental organisations in Zomba City. They provide training on vocational skills to marginalized groups including young women.

You may therefore consider funding them as they are complementing the government's efforts in lifting marginalized groups out of poverty. They also implement Local Governance Initiatives that support Local Governments and Communities in consolidating decentralisation gender issues women and empowerment.

Sincerely yours,

Charles Thombozi
