Dear Sir,

### RECOMMENDATION FOR TITEMWANENGE SOYA MILK PROCESSERS.

This letter serves to give a recommendation to Mr. Makuni Gondwe, Coordinator for Titamwanenge Soya milk Processors. Titemwanenge is a registered CBO of mostly women and they have a Soya Milk project around Mzuzu. Even if I have just known them over the last few months, it is a group I felt World Connect would be interested to partner with. For more information concerning the group, you are welcome to contact the undersigned.
