The World Connect Team;

Dear Sir,

Recommendation letter to Ntoroko Apiary Assaciation

Ntoroko Apiary Association is a not for profit registered organization whose aim is to raise public awareness in the importance of conserving the bee as well as collecting and producing honey ethically and organically, as well as the benefits it has on human health.

Objectives of Ntoroko Apiary Association

1. Creation of Free Bee Sanctuary
2. Designation of Protected Origin
3. Development & Protection
4. Local Visibility & Public Awareness
5. Public Education (children & adults)
6. Creation of Local Bee clubs
7. Become a Research, Analysis & Collaboration center

We recommend Ntoroko Apiary Association for possible assistance. It has the experience and Capacity to implement any project applied for give the several projects executed by her mandate.

Yours sincerely

Muhindo Harriet
