Dear Sir,

OUR OPINION FOR A GRANT OFFER Women Initiative Rural Transformation Programme/WIRTP

Thanks for seeking our opinion for recommendation about WIRTP program with rural communities in Mubende Uganda.

Women Initiative Rural Transformation Programme/WIRTP is an NGO established in 2017 registered in 2019 to have full mandate and status, operating in Uganda with her Current activities in Mubenda and its engaging women is self help vocational projects. These projects include environmental conservation, education, improved farming and womens income generating projects to allievate poverty among rural women and other vulnerable youths like girls.

Any assistance rendered to them in regards to improving the living standards of the community, health and fight poverty in her community is highly recommended.

Yours sincerely,

Birungi Doreen
