

Dear Sir/Madam,

**WORLD CONNECT – Recommendation letter – SALUMO CBO – Chibavi, Mzuzu,
Malawi**

I write this letter to recommend Langton Ngwira under SALUMO CBO as a worth and potential leader to benefit from the World connect grants program which is there to support communities in implementing life changing community projects.

Langton Ngwira is the chair and projects lead for SALUMO, a community-based organization in Chibavi, Mzuzu working with young people in enhancing their skills through vocational training in Carpentry and Joinery and Welding and fabrications.

I am recommending Langton for the participation in the World connect grants program based on his creative contributions and impacts in designing projects that aims at economically empowering young people, enhancing vocational skills and protecting the environment.

The social and economic utility of his work lies in its contribution to the empowerment of youths and the economic benefits of enhanced efficiency of environment management and job creation for both youths and their communities.

In light of the brief description above, I enthusiastically present Langton Ngwira as an eligible and worthy participant in the World Connect grants program. Such support would not only motivate Langton and other young community leaders and entrepreneurs to search for modern solutions to communities perennial economic, environmental and development challenges, but also make a critical contribution to the mobilization of resources for the training, mentorship and engagement of other youths in the community through his community organization.

Yours sincerely

Alfred Kankuzi
