**Re: Letter of Recommendation for Ultimate Go Green Organisation – Uganda**

Dear Sir/Madam,

I am writing to strongly recommend Ultimate Go Green Organisation Uganda for the World Connect grant, because at SEVO in Belgium we share your view: 'the fight against poverty isn't about charity, but about justice and equality'. For the past fifteen months, we have worked with UGoGreen's Youth Empowerment Program,

The Youth Empowerment Program is innovative and locally-led and inspired, creating entrepreneurial opportunities in the Kalungu District of Uganda.

At the midpoint of this pilot program, UGoGreen has already noted significant improvement in economic wellbeing.

At SEVO vzw we strive to ensure the full implementation of all of our funded programs. We have found UGoGreen to be excellent partners, who have fully engaged in their responsibilities to ensure that all the goals and objectives of this Youth program are achieved.

UGoGreen is not a typical charity. Rather it is a dynamic partnership with local government and the rural communities they serve in the Kalungu and Masaka Districts of Uganda. Their innovative model supports local ownership and sustainability. I highly recommend them for your grants.

Please feel free to contact me with any questions.

Cordially yours,

Jelle Volckaerts
