RE: RECOMMENDATION TO ABAANA COMMUNITY OUTREACH AFRICA (ACO Africa)

With reference to the above subject, am writing to confirm that Abaana Community Outreach Africa is a local organization in based in Uganda East Africa with a mission; to create sustainable socioeconomic changes capable of generating lasting impacts on communities affected by deprivation and has been working in partnership with Child Rights advocacy and Lobby Mission-Africa (CALM Africa), a non-government organization based in Wakiso district –Uganda. This partnership was authenticated by a Memorandum of Understanding signed by both parties in September 2010. The partnership includes promoting children's rights, offering counseling and guidance, sexual –and reproductive health education awareness, empowering rural women (gender groups) as well as life skills and empowerment activities for youth.

Abaana Community Outreach Africa is a dynamic organization with young professionals who have a passion of positively change the community. There have been and are more opportunities for the said partners to benefit from each to the greater benefit of the Ugandan people and deprived communities in Rakai district and beyond, in there areas of operations.

Any support given to Abaana Community Outreach Africa will be of very much welcome and we are very sure; it will be put into good use. In case of any information regarding the partnership between Abaana Community Outreach Africa and Child Rights advocacy and Lobby Mission-Africa (CALM Africa) or the capability of Abaana Community Outreach Africa, the undersigned will be happy to be contacted.

Yours Sincerely,

James Kimera Ssekiwanuka,

Founder and Director CALM Africa; www.calmafrica-ug.org email: jks.calmafrica@gmail.com
