To Whom It May Concern,

Dear Sir/Madame

It is a pleasure to write this reference letter for Wings of Hope for Africa.

Led by Gahiza Makombe, Wings of Hope for Africa has been a blessing to CrossPointe and its families. This organization has graciously donated groceries gift cards to support low income members in our church.

Thorough Wings of Hope for Africa donations; we have had the opportunity to enhance our programs to help single moms, widows and families in need.

We are grateful for the heart and vision of this non-profit organization as it brings hope and love to those who are less fortunate.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Elhadj Diallo
