Dear Madam or Sir,

A Letter of Reference for Ngome Elvis Nkome/CEPLECEN

Indeed we are very pleased and honoured to vouch for Ngome Elvis Nkome, the Director of Centre for Education, Peace, Leadership, Conservation and Entrepreneurship (CEPLECEN). He and his organization learned about World Connect from me and visible field activities carried out by Action for Change with the support obtained from World Connect.

Action for Change and CEPLECEN share similar objectives. As local partners in development, we collaborate through networking in sharing knowledge, experiences and information. We have met in several platforms such as seminars, workshops and public debates. We also exchange ideas on development projects being carryout by each organization, success recorded, problems encountered and lessons learned. These exchanges have contributed in organizationally capacity building and helped in developing better strategies for future development projects. We have been collaborating with Ngome Elvis Nkome for the past 2years.

Based on my experience of collaborating with Ngome Elvis Nkome and CEPLECEN, I hereby certify him and his organization to World Connect for recognition and possible assistance.

Accept our sincerest regards,

Adie Adie Elvis
COORDINATOR OF ACT
